

Fellowes®

Volo®

Visualize Your Volo

Volo looks and performs as well or better than higher-priced architectural walls. Its unitized panels install quickly and can be moved and re-used as your needs change, with minimal impact to ceilings and floors. It may also save you tax dollars since movable walls are often classified as "tangible property" which may be depreciated much more quickly vs. drywall's 39 years.

Standard Panels with Insert Tiles
