

Fellowes

Interior Design's Best of Year

is the design industry's premiere design awards program, honoring the most significant work of the year as well as recognizing designers, architects, and manufacturers from around the globe.

Now celebrating its 18th year, Interior Design's Best of Year has become the ultimate measure of excellence, showcasing what's happening today in every category of design while simultaneously setting the bar even higher for the future.

CBRE Design Collective submitted the Fellowes Design & Experience Center in the "Showroom" category and was just announced as a finalist. This is a huge accomplishment as CBRE was selected from applicants all over the country. "The partnership between Fellowes and CBRE Design Collective was fantastic, and the success of the Experience Center is in large part because of the amazing ideas you brought to the table", said Adrienne Harbarger, Design Director of CBRE Design.

Fellowes is thrilled to have partnered with the exceptionally talented CBRE Design team and honored to make it as a finalist.

Winner to be announced in early December.

You can find Fellowes Design & Experience Center located in the heart of Chicago's Fulton Market neighborhood, or by visiting our showroom page on [fellowes.com](https://www.fellowes.com).
