

## **Fellowes Contract Interiors launches Netta wire management solution.**

**Itasca, IL – [May 10, 2024]** – Fellowes, a family-owned workplace solutions provider with a four-generation legacy, launches the latest in cable management with Netta, a simple-to-use, simple-to-install mesh wire management channel.

Netta was designed to offer a sleek and efficient mesh wire management solution that can be mounted underneath a desk.

Available in two lengths, 24- and 48-inches, and two colors, black and grey, Netta installs with durable mounting clips and a hook design that makes accessing cables a breeze while velcro straps keep wires in place. The durable flame-retardant mesh reduces the risk of fire.

Together, Netta creates a clean, minimalist design with competitive pricing and easy installation.

Netta is now available to order through your Fellowes dealers and sales representatives.

### About Fellowes

[Fellowes](#), a fourth-generation family-owned company providing trusted workplace solutions, is celebrating more than 100 years under the private ownership and executive leadership of the Fellowes family. Fellowes is a global leader and trusted partner that provides product solutions to fulfill a broad range of WorkLife needs.
